

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

**CORRECTED
FISCAL NOTE**

HB 1022 - SB 943

March 9, 2011

SUMMARY OF BILL: Removes Greene County from the list of counties exempt from the transfer of probate jurisdiction from the County Clerk to the Clerk and Master. Requires the Clerk and Master of Greene County to enter, after notice, an order of dismissal without prejudice of probate cases in which no order of disposition has been entered, the case has been open for at least 18 months or such period of time that disposition could have occurred, and administration of the estate remains incomplete.

ESTIMATED FISCAL IMPACT:

On March 7, 2011, a fiscal note was issued estimating a fiscal impact as follows: *Increase Local Expenditures - \$20,000/One-Time, \$36,800/Recurring*. The fiscal impact remains unchanged from the original fiscal note. The assumptions have been revised to further explain the fiscal impact.

**Increase Local Expenditures - \$20,000/One-Time*
\$36,800/Recurring***

Corrected Assumptions:

- If Greene County's exemption is removed, probate jurisdiction will be transferred from the Greene County Clerk to the Greene County Clerk and Master.
- According to the Green County Clerk and Master, one-time startup costs include computer support totaling \$14,892 (\$13,557 for document imaging software, \$885 for a computer workstation, and \$450 for training) and initial office set-up costs totaling \$5,000 (office equipment, dedicated phone line, and storage units) resulting in an estimated one-time increase in local expenditures of \$19,892 (\$14,892 + \$5,000).
- According to the Greene County Clerk, the Greene County Commission could transfer one full-time position and related office supplies budget from the clerk's office to the clerk and master's office.
- According to the Greene County Clerk and Master, one additional full-time position (\$20,000 salary and \$6,800 benefits) and one part-time position (\$10,000) are necessary to fulfill the statutory requirements imposed on probate clerks. Estimated recurring local government expenditures are \$36,800 (\$20,000 + \$6,800 + \$10,000).

HB 1022 - SB 943

*Article II, Section 24 of the Tennessee Constitution provides that: *No law of general application shall impose increased expenditure requirements on cities or counties unless the General Assembly shall provide that the state share in the cost.*
